Dear Ms. Alcorn,

I'd sincerely like to thank you as well as the rest of the Williamsburg Music Club for granting me the award of \$300. Now, the expenses of the music camp I'd been hoping to return to are that much more affordable, and I owe that to the kindness and generosity of the Williamsburg Music Club. Hopefully, I'll be able to pursue an even stronger passion for music with performance opportunities such as this. Once again, I'd like to give heartfelt thanks for your support and just your pure sincerity to music, to which I hope I will also reach the extent of that passion as well, one day.

I look forward to attending the audition next year as well.

Sincere thanks,
