Dear Mrs. Alcorn and the Williamsburg Music Club,

I would like to express my deepest gratitude towards all of you for awarding me a generous sum of \$500.00. I mean to use it towards my musical education, and this award has granted me an opportunity to go to piano camp once again. In addition, I will work hard to improve my playing and become a better pianist. Also, thank you for taking time to hear me play. It was truly an amazing and unforgettable experience performing for you.

Best Regards,
