

Dear Williamsburg Music Club,

I would like to thank you all for your generous gift! I am extremely blessed to have these exceptionally wonderful experiences of performing and competing, which I unfortunately don't do very much of. Also, thank you very much for inviting me to perform for you again in April! I have been trying to increase my number of public performances, and this is another excellent opportunity. I am endlessly grateful to you all.

Sincerely,

A handwritten signature in cursive script that reads "Bryce Cuthriell".
