Dear Williamsburg Music Club  
Members,

Thank you so much for this generous scholarship. Not only is it a sign of encouragement but it will help to pay for lessons with my wonderful teacher so that I can continue to learn more about music and continue to discover beautiful works that bring me so much joy in my life. I would especially like to thank Williamsburg Music Club members for their kindness. You are all some of the nicest people I have ever met and I can't imagine a better audience than one filled with people who love music and understand its importance in life, a group of people who are rooting for you. I always look forward to playing for you all. I will always remember your support and I look forward to the years to come.

Love,
