

Dear Mrs. Alcorn and Members of  
the Williamsburg Music Club,

I would like to thank all of you  
for awarding me the grant for  
the Outstanding Performance Award,  
Senior Division. The award was  
very generous and I will use  
it for summer programs that I  
plan to attend. I have been studying  
piano for eight years and plan to  
make performing my career. I  
appreciate every opportunity I receive  
to better my abilities. Thank you  
again for your generosity and  
dedication to the young performers  
of our community.

Sincerely, William Hime
