

Dear Mrs. Alcorn,

Thank You so much for all your support of me as I was preparing for the Beethoven Choral Fantasy. I enjoyed each time I was able to work with you and Mr. Beville, and appreciated the guidance.

It was so nice to finally put the Choral Fantasy together with such a fine group of talented musicians. The performance was an experience I'll always remember, especially with such an appreciative audience in attendance.

I am grateful for the scholarship as well, since it will be so helpful in paying for my lessons. Thank You again for being so kind and supportive, and I hope to see you again soon.

Sincerely,

William

P.S. The tips you gave me after rehearsals were very helpful!
