

Dear Ms Lynn and Members of the
Williamsburg Music Club,

We wanted to express our appreciation to
the WMC for the support given to our son
William in his performance of the Beethoven
Choral Fantasy. The generous scholarship
that the WMC provided will be used for his
lessons at Dickinson College.

It was very difficult to leave the Williams-
burg area and the wonderfully supportive
community. The enthusiasm and kindness
displayed toward William have been
immeasurable and will always be remembered.

We are grateful to all of you and for your
promotion of the next generation of young musicians.
Please accept this donation for your use as needed.
Sincerely, Laura + Robert Hume
